Sea Asia Insights

Sea Asia Insights is a new initiative for thought leaders to discuss and share knowledge on main issues regarding the shipping industry across the globe. Sea Asia presents enriching **webinars** and **podcasts**, providing participants an engaging platform to tackle vital topics and allowing greater participation of attendees to access the latest industry news and updates.

Sea Asia Insights sponsorship opportunities will help to chart your digital journey by starting the digital sail from pre-event webinar to onsite Sea Asia Conference exposure and ending the route with a post event sponsored article. At every sail, we ensure that your brand is well-positioned to reach a highly targeted and engaged audience.

The Sea Asia webinar is also available on-demand after the event and converted to Podcast to further enhance your branding exposure and outreach to a wider audience.

WEBPAGE ILLUSTRATION

The image shows a screenshot of a webinar registration page. At the top, it lists sponsors: Sea Asia, SMF Singapore Maritime Foundation, Informa markets, and dualog. The main content area features a slide titled 'IMO 2020: Industry Implementation Update' with a date of '22-26 June 2020'. Below the slide, there are several speaker profiles with their names and titles. A video player window is visible on the right side of the page, showing a speaker. At the bottom, there are social media sharing icons for Facebook, Twitter, LinkedIn, and YouTube, along with a 'Q&A' button. Two 'Sponsor Ad Banner Space' labels are placed on the right side of the page, indicating where a sponsor's logo or banner would be displayed.

The image is for illustration purposes only and is subject to changes.
